Time: **2 PM to 3:30 PM**

Meeting point: **Assateague Coastal Trust office**

Address: **10959 Worcester Hwy in Berlin, MD**

A small terrarium is a great place to grow indoor plants or make a miniature landscape for your favorite tiny action figures. It can even serve as a temporary home for a small critter caught outdoors. You could observe a frog or insect in your terrarium before releasing them back into the wild. Come and make your own terrarium to take home. All materials will be provided.
