Time: **1:30pm to 3pm**

Meeting point: **James Farm Ecological Preserve**

Address: **30048 Cedar Neck Rd, Ocean View, DE 19970**

There are so many unique animal species in Delmarva! Let's explore how they are adapted to survive and thrive! By examining replica skulls you will learn how these animals find food, hide from predators, and raise their young. We will also take an early spring walk on one of the beautiful trails at the James Farm Ecological Preserve. This is a great place to explore many different habitats. Please note that the event will be outdoors, and come prepared wearing clothes and shoes for the weather.

Number of spaces available: **No Limit! Please sign up for the event at www.actforbays.org/coastkids, or by calling the Assateague Coastal Trust office at 410-629-1538.
